

Welcome to the White House Juniors Internationals 2017!

This week will be the 25th edition of the White House Juniors Internationals, previously known as the Carrousel Cup in Den Bosch. Since 1993 juniors from all over the world come to The Netherlands to play bridge and enjoy themselves.

This year's tournament started with the Pro-Am Patton on Sunday. Sponsors and supporters could play with a junior player and meet one another. Today the real tournament starts for the juniors. The final will be on Friday.

All information about the tournament can be found on www.jeugdbridge.nl/white-house-juniors (as you probably found out already). Results of the tournament will be posted on the club website of the White House: www.nbbclubsites.nl/club/1003/uitslagen or you can just click on the result button on the left side of the website.

So enjoy the tournament and your stay in Amsterdam. Have fun and play well!
